BRIGHTON & HOVE COMPASS BACKS SIÂN BERRY

We know how hard it is to put an 'X' in the box for a candidate who isn't your first choice. Under a fair electoral system, we would be able to vote with our hearts.

That's why Compass Brighton & Hove is backing Siân Berry in Brighton Pavilion. She and her party are vocal supporters of Proportional Representation, where seats match votes, and every vote counts equally.

Until we get a fairer system, where all parties are represented according to their votes, we need to make sure we don't lose the UK's only Green constituency. If your heart is with the LibDems or Labour, scan the QR code and swap your vote to send your 'true' vote to a seat where it counts.

So if you want to defeat the Tories AND support fair voting: vote smart on 4th July – vote Siân Berry.
